Let the River Flow

The river is being released and will, in its fullness, result in the greatest harvest the earth has ever known. It will be glorious!

What started as a trickle, God is turning into a mighty flood, bringing refreshment and vitality to all who immerse themselves in His glorious love. If you have yet to experience this unprecedented outpouring of the Holy Spirit, or don't know how to jump into the water, this book will touch your heart and point you in the right direction.

With powerful insight into the theme of water that runs through the Bible, pastor Dutch Sheets shows what a person--and a church--can do to experience the rising current of renewal and revival.
