Yeshu'a: The story of the hidden life of Jesus: Book One Pietro de la Luna

An intimate autobiographical account of the hidden life of Jesus detailing his family life and Initiate training, the lost years, and the Essenes in a tender, caring voice, Yeshu'a as well reveals the true history of the world and speaks of the transformational times in which we now live.

It also tells a different story of **his short ministry in Palestine** than is given by the canonical Gospels. From Egypt, Qumran, Mt. Carmel, the Druids of Pretannia, and Asia, to **his relationship with his Beloved Magdalen**, Yeshu'a will shock some in their orthodox beliefs, but ultimately **Jesus's message of unconditional love and universal forgiveness comes through loud and clear: We are all Christ.**

You Are The One You Have Been Waiting For.

The *Yeshu'a* series **heals the Christian story** by reconciling and bringing to full-flower **the feminine indwelling everyone and everything**, and is the first full narration of those sacred times. It has received endorsements from multi-award-winning, best-selling authors, and healers and Lightworkers and Heart-leaders around the world.
